Natasha Jellie & NZ Fairy Tern are winners at Hill Park Primary School

Year four students at Hill Park Primary School, Manurewa, were given three options for the subject of their speeches in the 2011 annual competitions: something that grows, something that moves, or a New Zealand endangered species.

Natasha (8 ½) chose the latter category and NZ Fairy Tern was her species. Natasha researched her topic via the NZ Fairy Tern Charitable Trust's website and the 2010 NZ Fairy Tern calendar.

Natasha won the Year 4 cup and is pictured here receiving it. CONGRATULATIONS Natasha.
